### Call for papers Regular Issue December 2020 (Scopus Indexed)

The goals of the publisher are to stimulate scientific research in All Fields of Management, Information Technology, Social Sciences, Arts, and Humanities , Education, Law, Economics, Accounting, Finance, Human Resource Management, Marketing, Architecture, Epigraphy, History of science, sociology, psychology, Morphology, Museology, Papyrology, Philology, Preparation/conservation, Religion, Underwater archaeology, and English Language & Literature. Another goal is stimulating research and improving the interaction between researchers in these disciplines. The PalArch Foundation will primarily achieve its goals by publishing scientific journals, that will differ from standard journals in its own approach of publishing scientific literature.

In order to enhance the current body of knowledge PalArch's Journal of Archaeology of Egypt/ Egyptology has invited the intellectual input in form of research papers from researchers across the globe for the next issue to be published in December 2020. Submissions are accepted on all social sciences and humanities domain and related areas. If there is doubt whether a paper can be submitted or not, please contact at submissions@palarch.email
