Dear Melanie Ortiz

Dear Chimago Members

I wrote inquiry about this journal two days ago asking about the following issues:-

1- Scope of this journal because in the journal website they stated the scope include all disciplines from medicine, to management, social science, engineering, nuclear and etc., meanwhile the scope in Scimago is Medicine only Psychiatry and Mental Health, Nursing, Psychiatric Mental Health, Psychology and Clinical Psychology. I want this information to show my university who want to publish in this journal

2- I want also to ask whether this journal is paid or free of charge, because the research director in my university wants to charge \$ 150 per article

Please let me know

reply

G **GHAYTH ALI JARAD** 1 month ago

I had published a paper in this journal the scope of this journal includes management and social science as you mentioned and they charge 150\$ as ABC or fee.

Melanie Ortiz 2 months ago

SCImago Team

Dear Mechael,

Thank you for contacting us. Medicine-Psychiatry and Mental Health, Nursing-Psychiatric Mental Health and Psychology-Clinical Psychology are not the Journal's scope, these are the Categories provided by Scopus/Elsevier in their annual update. Dear Melanie Ortiz and all group members

I would like to ask about this journal, we have conference and the team member of the conference want to publish in this journal with fee about 140\$ per article. Our papers are from different disciplines namely (management, agriculture, religion and IT). My questions,

- 1) Is this the scope of this journal opened whereby it can be social since, engineering, medicine, IT and etc., or it is as stated up for Medicine Psychiatry and Mental Health, Nursing Psychiatric Mental Health, Psychology and Clinical Psychology
- 2) Is this journal reliable and affordable with \$ 140 per paper?
- 3) It is journal still active in Scopus

Please help me because nowadays many journals became profitable business

reply
