Reviewer 2:
The study is conducted in two countries and the researcher must be commended for being very enterprising. The methodology is appropriate for this study. The discussions are very good and done in detail. The paper can be accepted.

Editorial Board

Editorial Board members work together by consensus to provide IJICC with editorial direction in the following areas: Identify scope of journal content and, when appropriate, themes for various issues. Determining Criteria for accepting manuscripts for publication consideration. Developing criteria and guidelines for reviewers to use in reviewing each type of manuscript. Developing criteria and guidelines for authors to use in creating each type of manuscript. Reviewing manuscripts as needed and appropriate. Soliciting manuscripts from potential authors. Promoting IJICC to potential authors, readers and indexers.
